

## Flint Bishop Gains LLP Status

Midlands law firm Flint Bishop has converted from a traditional partnership structure to a Limited Liability Partnership (LLP).

The conversion took place on 1 May 2009 and includes both Derby and Ashbourne offices.

Commenting on the conversion, managing partner Ken Dixon, said:

**“Not only does this underline our commitment to growing the firm, it also provides a more contemporary corporate structure that many professional services firms are now adopting.**

**“The conversion to LLP status will not affect our day-to-day client relationships in any way. Our approach, client-centric culture and logo continue to remain the same.**
